GEM LOOP

Be Part Of Our Next History

The Problem

"Museums are talking, but visitors aren't effectively communicating back."

The Solution

“Turn every visitor into a storyteller”

Smart Ticketing

Time Capsule

AI interests routing

Invisible data gathering

- Interactions with exhibits
- uploading photos/ videos
- answering micro-questions
- GPS tracking

Memorable Expreience

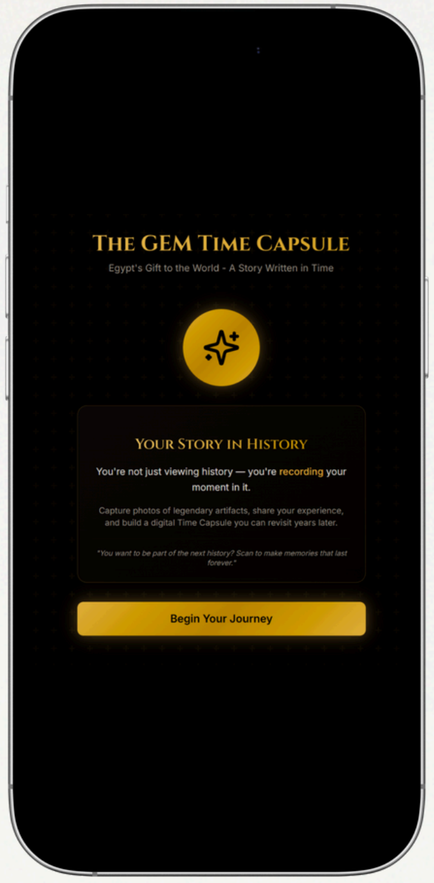

- Capturing personal moments
- turning the visit into an emotional, story-driven journey.

Smart Ticketing

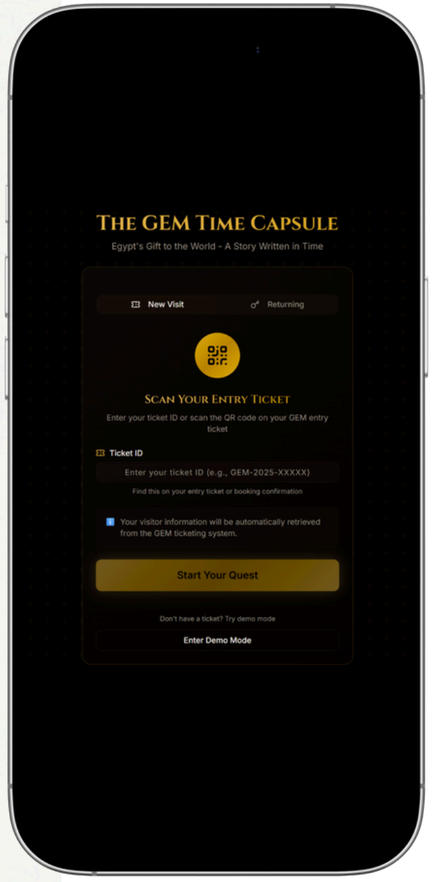

- ID
- Name
- Nationality
- E-mail
- Phone

Time Capsule

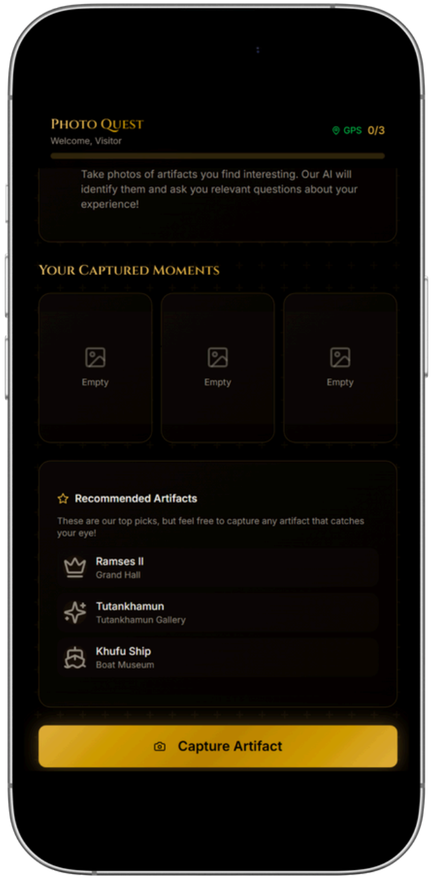

Begin Your Journey
